NATIONAL PROGRAMS												
Debate	http://www.middleschooldebate.com/resources/teambuilding.htm											
Destination Imagination	Encourages teams of learners to take risks, focus, and frame challenges while incorporating STEM (science, technology, engineering, and mathematics), the arts, and service learning. Participants learn patience, flexibility, persistence, ethics, respect for others and their ideas, and the collaborative problem solving process. Teams may showcase their solutions at a tournament. http://www.destinationimagination.org/				Silver Beach							
Future Problem Solvers	To develop the ability of young people globally to design and promote positive futures using critical, creative thinking. http://www.wafps.net/				Fairhaven							
National History Day	Choose a historical topic related to the annual theme, and then conduct primary and secondary research. You will look through libraries, archives and museums, conduct oral history interviews, and visit historic sites. After you have analyzed and interpreted your sources, and have drawn a conclusion about the significance of your topic, you will then be able to present your work in one of five ways: as a paper, an exhibit, a performance, a documentary, or a web site. http://www.nhd.org/Contest.htm				Whatcom Day Academy
